Much more than “just” a translation agency

HHITS is a professional translation division of H&H Consultancy that provide high quality professional translation and **localisation services** to enable you to communicate accurately. We use professional translators to translate into and from over several languages such **Arabic, English, French, Chinese** and **German** so you can be sure we have the right solution for you.

Our experience, capabilities and scale mean we can deliver value to clients across most industry sectors – public and private.

Whether you need to discuss legal matters with your colleagues, or provide your non-Arabic speaking customers with real-time information in their language – HHITS’s interpreters can provide you with the solutions you need.

Our professional language interpreting services can help you and your organization to communicate with non-Arabic speakers across a wide range of situations. The interpreters we source are all highly experienced, qualified and fully vetted professionals and the accuracy and quality of their work is assured. H&H Interpretation and Translation Services –**HHITS**- is one of the few language service providers in the SUDAN to have their database of interpreters externally accredited and authorized by the federal government organization.
